CAREER SUMMARY

Passionate about designing and developing user-friendly web experiences. I'm excited to grow my skills and contribute to a team where I can make a real impact in designing and development.

EDUCATIONAL QUALIFICATION

B.E COMPUTER SCIENCE AND ENGINEERING (2022 - 2026)
Kangeyam Institute of Technology, Nathakadaiyur.
CGPA - 8.21

HSC - 81.5% (2021 - 2022)
Jaycees Matric Higher Secondary School, Erode.

SSLC - 97.8% (2019 - 2020)
Jaycees Matric Higher Secondary School, Erode.

HANDS–ON EXPERIENCE

MERN STACK Web Development Training (July 2025)
Learned about how MongoDB, Express, React and NodeJS works in building apps and gained hands-on-experience for the period of one month and created Expense tracker project and portfolio website.

Web Development Intern - SkillCraft Technology (November - December 2024)
Built simple web pages with HTML and CSS, including a scrolling site, stopwatch, and tic-tac-toe game to strengthen my coding and design skills.

TECHNICAL SKILLS

- **Web Development:** HTML5, CSS3, JavaScript, React
- **Programming Language:** C, Python
- **UI/UX design:** Figma, Photoshop, Canva

PROJECTS

Personal Portfolio
Designed a portfolio using HTML, CSS and Java Script to display my resume in Digital Format. Implemented structured layout, navigation, and styling to showcase personal information professionally.
View Portfolio: subhashinisivakumar.github.io/Personal_Portfolio/

UI Design - Food App Interface (Scrollable Frame Interface)
Created a smooth interaction system combining horizontal and vertical scrolling inside a single parent frame. Implemented Clip Content and Auto Layout to maintain alignment and improve navigation flow.

Expense Calculator - MERN Stack
Developed a responsive Expense Calculator with features like adding, editing, and deleting expenses. Implemented real-time total calculations and category-wise summaries using React Hooks.

Memo App - React (Ongoing)
Currently developing a memo-taking web app to create, view, and delete notes easily. Building a clean and simple user interface for smooth note-management. Enhancing features to improve everyday usability and user experience.

CERTIFICATIONS

Web Development Fundamentals - IBM SkillsBuild
Learned how website works in both front-end and backend and gained technical knowledge.
Learned hoe to build responsive web page in this learning.

React Essential Training - LinkedIn Learning
Completed a certification covering React fundamentals, components, props. Learned to
build interactive UI elements and manage application flow using React.

Figma: From Design to CSS Implementation - LinkedIn Learning
Completed training on UI/UX design workflows and converting Figma designs into responsive,
clean CSS for seamless Web development.

UI/UX for beginners - Great Learning
Gained knowledge about the wireframes, user flow, prototypes and also about the
web designing tools.

CO-CURRICULAR ACTIVITIES

24 hours Hackathon - 2025 - Carbon Emission Prediction using Machine Learning
Developed a model using the Random Forest algorithm to predict carbon emissions from
environmental data, for emission analysis

Hackathon project - 2024
Designed a solution for women safety with a chip embedded with accessories
during emergency situations.

Paper presentation on E-waste management - 2023
Present a paper on E-waste management at Nandha Engineering College and secured **First place.**

SGFI - Handball National Championship - 2019
Participated in Handball SGFI national Tournament representing Tamil Nadu held at Hisar, Haryana

ACHIEVEMENTS

Event Manager - ELANTRA'25
Served as an **Office Barrier** of our college's Cultural Fest ELANTRA'25 and organized the mega events
with my co-organizers as an Event Manager.

Overall coordinator - SPARKS'25
Served as an **Overall Coordinator** of Department of CSE during the SPARKS function and organized
events and built my Leadership Qualities.

Treasurer - CANVAS CLUB 2025
Served as a **Treasurer** of our College Canvas club and organized our club programs and events for
school students.

AREAS OF INTEREST

- UI design
- Editing
- Designing
